

Waveney Model Flying Club

Est., 1964

Membership Application Form 2018

The Waveney Model Flying Club was formed over fifty years ago, and since that time has flown at various sites on the Ellough Airfield. It occupied its' previous site for over forty years. Some of our members had been flying at Ellough since 1946. After the Ellough site started to become restrictive, the club had to look for a new flying site. The club now resides at St Mary's Road Aldeby after moving there in July 2006. At present the club flies on Tuesday, Wednesday and Thursday afternoons, Saturday afternoons in Summer times, and all day Saturday in winter times, and Sunday mornings and evenings. Electric only, Mondays and Fridays. The times vary according to the season and are detailed in the flying field rules.

- On joining you will receive a constitution and handbook.
- A Proficiency scheme runs in the club and is designed to promote safe flying
- Most of all, the Waveney Model Flying Club offers a warm welcome and unrivalled camaraderie, so take a step up in this great hobby of ours, come and join us - you'll be glad you did!
